

History

- Neil Armstrong
- Space events
- Animals in space
- Survival in space

Art/ DT

In Art, we will be using pastels to create a space picture.

In DT we will be using junk modelling to make a space rocket.

Literacy

Books we are focusing on are: 'The Way Back Home' and 'Man on the Moon (A day in the life of Bob).'

We will be writing letters and our own space stories.

We will also look at creating our own space poetry.

Maths

R: We will be looking at finding 1 more/ 1 less, doubling and halving, shape and money.

Y1: We will be looking at all 4 operations and using these within word problems. We will also focus on shape and money.

Music

We will be using instruments to create a piece about a journey to the moon.

PE

We will be learning how to throw and catch both independently and in team situations.

Science

- Naming planets
- Light and dark
- Identifying and sorting light sources
- How shadows are formed

RE

We will be looking at how people celebrate in different religions such as Islam and Judaism.

Computing

We will be exploring and using beebots. We will be learning how computers need instructions to work.
