

## Maths

- Add and subtract non-related fractions
- Multiply fractions by an integer
- Multiply fractions by fractions
- Divide fractions by an integer
- Fractions of an amount
- Equivalent fractions, decimals and percentages
- Percentage of an amount
- Draw and interpret line graphs
- Circles
- Pie Charts

## RE

In RE this term, we will be exploring the key concept of the Kingdom of God and the question 'What kind of king is Jesus?'. We will make links between the 'Kingdom of God' parables to understand what Jesus said the Kingdom of God is like.

## English

Once we finish reading Darwin's Dragons, the children will pick their next class read.6

In writing we will use the Disney short film 'Paperman' as a stimulus for writing our own narrative. We will then watch the short film 'For the Birds' which explores the subject of bullying. We will learn how to write a persuasive letter to urge the bullies to stop, using main points to support our arguments.

## Term 3

### Kestrel Class Y5/6

## History

Kings and Queens since 1066 have had a significant impact on our nation's history and progression. We will be leaping back in time to the 15th Century to learn about the Tudors, focusing on King Henry VIII and Queen Elizabeth I.

Our studies will look at the impact of religion, Tudor life and how England beat the Spanish Armada. Throughout the topic we will compare to the life of the Royals today as Queen Elizabeth II prepares for her Platinum Jubilee.

**Christian Value:** Truth

**British Value:** Rule of Law

**Spirituality Big Question:** What do you think Jesus thinks about you and why?

## Music

We will begin to learn to play the ukulele.

## PE

Dance  
Netball

## PSHE

Keeping myself safe

## Science

In physics, we will learn:

- to understand that objects fall due to gravity pulling them down.
- to explain the effect of friction on a moving object.
- to explain the effects of air resistance on a moving object
- to explain the effects of water resistance on a moving object.
- to recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect

## Computing

In computing, we will learn how to use spreadsheets.

## Art

In art we will use the key artwork of 'Still life with drinking horn' by Willem Kalf to learn about still life painting. We will create our own still life compositions and develop our skills in watercolour to add depth to our paintings.
