## RE

*What does the Qur'an reveal to Muslims about Allah and his guidance?*

We will focus on the Muslim concept of 'revelation'. We will learn about how Allah revealed himself and how the revelation was recorded.

## English

We will continue to read Malamander to find out if the mystery of the mythical beast is true!

In writing, we will use the short film 'Alma' as a stimulus for writing a setting description, narrative and newspaper article.

We will continue to build on our VIPERS skills by reading and responding to a variety of different texts.

## Term 4 Kestrel Class Y5/6

## Geography Mapping the world

We will locate places around the world using maps, atlases, globes and digital mapping.  
We will identify the position and significance of latitude/longitude and the Greenwich Meridian.

**Christian Value:** Forgiveness  
**British Value:** Individual Liberty  
**Spirituality Big Question:** What is your favourite way to worship God?

## Music

We will continue to learn the songs and dances for the Young Voices

## DT

In DT, we will continue to develop our knowledge of structures by designing and making a kite. We will then test our product and consider how we can make improvements before evaluating our success.

## PE

Dance  
Netball

## PSHE

Keeping myself safe

## Science Classification

In biology, we will learn about the importance of looking at the characteristics of different organisms. In what ways are they similar and different? We will learn how classification involves placing living things into progressively smaller and smaller groups.

## Computing

We will identify what makes a good web page and use this information to design and evaluate our own website using Google Sites.
