

## Maths

This term we will be looking at ways we present statistical data through charts; identifying lines of symmetry and angles; and exploring shape, position and direction.

Year 4 will be sitting their times tables test this month, so keep practising: <https://www.timestables.co.uk/multiplication-tables-check/>

## History

As historians we will be stepping back in time to the Romans to answer our big question:

### **What was life like in Ancient Rome?**

We will be studying different leaders and the constitution, looking at different primary and secondary sources of evidence, including art, to explain what life might have been like and describing Roman entertainment.

## English

As creative writers, we will be exploring the marvellous dreams of The BFG.

We will write a balanced argument about the myth of Romulus and Remus and the founding of Rome. We will also write a newspaper report on the events of Pompeii.

We will continue to develop our VIPERS skills (vocabulary, inference, prediction, explain, retrieve, summarise) through guided reading.

Handwriting and spelling practice will be practised daily.

## Music / Drama

This term we will be practising for the KS2 production of **Shakespeare Rocks**. Roles were assigned before half term. Please could you help your child to learn their lines to help the flow of the play. Please look out for further details about costumes and props. The performance date is **Thursday 14th July**.

## RE

We will be exploring the big question: **what do Christians mean about when they talk about the Kingdom of God?**

We will look at the Golden Rules for a kingdom, Christian parables, the Lord's prayer and how Christian charities help those in need in today's world.

## PE

On **Wednesday** afternoons there will be athletics with PH Sports. Please ensure that all kit is in school, along with a sun hat.

On **Friday** mornings we will be swimming at Durrington leisure centre.

**Sports Day** is on **Monday 4th July** at Dauntseys' School.

**Christian Value:** Perseverance

## Computing

Chough Class will be learning how to design and record their own animation.

## PSHEE

Choughs will be learning about our bodies grow and change.

## Forest School

Chough Class will forest school on **Thursday 23rd June and Thursday 30th June** with Mrs Ryalls.

Please ensure that your child has appropriate weather gear – sun hat, sun cream, water bottle, raincoat.
